our **SG** fund

Love Our 'Hood Fund

Established in 2021, the fund supports ground-up projects that address municipal issues and foster a sense of community within the neighbourhood.

The Fund will cover these!

Projects should address municipal issues, which may be behavioural-related, such as:

Noise nuisance from neighbours or congregations

Public cleanliness, littering

Pigeon feeding

Cluttered Corridor

Irresponsible pet ownership

Illegal parking

Example of ground-up projects:

Installation of standees by the **Mountbatten Parking Heroes** to deter illegal parking

Activities supported **can include**, but are not limited to:

Public education campaigns or materials

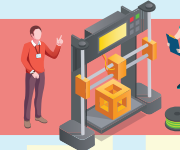

Community networks, activities

Workshop, seminars, classes

Adoption of technology

Development of prototypes

Supports relevant expenditure such as:

Venue costs

Marketing & publicity costs

Production, material, and logistics costs

Licensing and legal fees

Professional service fees

Insurance costs (where applicable)

Volunteer meal and transport costs
